

Children in Need 2019

BBC Children in Need is a fundraiser and grant giver. That means that we ask the public to raise and donate lots of money so that we can make a difference to disadvantaged children and young people in communities' right across the UK.

At PACE we believe this is a great charity for our children to get involved with and is a great opportunity for our pupils to complete their own fundraiser. The children came up with two sponsored activities for the cohort to complete. The pupils either took part in a 'Sponsored Run' or a 'Sponsored Just Dance'. Our sponsored activities took part in the afternoon of Friday 15th November 2019. Every child took part in at least one of these activities and they were a great success. Alongside completing these sponsored activities the children came into school in non-uniform and each donated £1.

The amount of money PACE has raised for BBC Children in Need is amazing.

Our grand total is **£343.80**

All children and staff greatly appreciate all the donations.
