

Tatton Park Visit

On Wednesday 11th March 2020 the lower key stage 2 children went on a curriculum visit to Tatton Park to support their whole class topic of Anglo Saxons.

Whilst at Tatton Park the children were able to experience what it is like to be an Anglo Saxon by trying on their traditional clothing, handling weapons and shields whilst creating their own Anglo Saxon battle wall. The children built their own fire in an Anglo Saxon shelter and looked after it throughout the day. The whole group went on a deer walk and discussed what it was like to hunt for food as an Anglo Saxon.

The visit was a great success and had a great impact on their learning and knowledge into the Anglo Saxon life. The hands on activities and discussions really encouraged the children to engage and participate positively.

One of the children said:

"I feel exhilarated, I am so tired but I am so happy."
