1st May 2020

Dear Parent/Carer

Many thanks for your support in what has been without doubt the most complex academic year for our Year 11s. Our staff have worked tirelessly to ensure the young people in our care remained safe throughout the pandemic and I hope this letter finds you all well.

Obviously Year 11 students will be concerned about their GCSE results and I would ask that if you have any additional questions regarding this you contact key workers or the the Teacher in Charge of your child's provision. I am happy to tell you that thanks to the Alternative Provision Service having an extensive assessment programme, we feel our staff are in a strong position to ensure that every young person receives the grades our staff feel they were capable of. GCSE results are due to be released on the 20th August and you will be notified via email and the website of the arrangements for this dependent upon any changes in lock down.

Although Year 11s officially leave us on the 28th June, I would like to assure you that our support is still available until the end of the Summer term should you or any of our young people need this. With regards to post 16, I would like invite any young people who have yet to have a post 16 place confirmed to contact Jo Pattern from Connexions on 07817223102 to offer additional support (all details on the website).

Finally I would like to congratulate all of our year 11 students and thank them for working alongside our staff during their time in Alternative Provision. The young people in our care arrive for a variety of reasons, but I would like to think they all leave having made some positive life changes. I would like to wish all of our current Year 11 good luck with their future and if you require any further support please contact

Rob Vaughan – Tuition
Tracey Harvey – Key Stage 4
