

## Anti-Bullying

As the children return back to school after a long summer we thought it would be a great idea to join in 'The Big Anti-Bullying Assembly 2020' across PACE. This group assembly introduces the concept of respect and how we can put a stop to bullying within our school. All the children were very engaged when discussing what bullying is and contributed some great ideas of how we can help someone if they are being bullied. We emphasised how important it is to have a support network of special people who we can go to if we need to talk.

**Everyone at PACE: "We pledge to put an end to bullying."**

## Welcome to a very different kind of assembly!

So much has changed for schools and young people because of COVID-19.

As students all over the UK return to schools and lessons, join The Diana Award and Nationwide Building Society as we come together, welcome one another back and remind everyone of the need for mutual respect in our schools and communities.

Together, we will pledge to put an end to bullying, celebrate diversity and create communities of kindness.

It's going to be **Big!**
