

## Children in Need 2020

This year 'Children in Need 2020' was celebrated on Friday 13<sup>th</sup> November. At PACE we all came to school in either our pyjamas or children in need merchandise and made a donation to the charity.

In all of our classes we took part in Joe Wickes' PE mornings throughout the week including his special Children in Need session at the end of his '24hours of PE Challenge'. There were lots of fun activities going on around school from making Pudsey masks to colouring pictures of Pudsey and Children in Need 'I Spy' activities.

All the children thoroughly enjoyed our Children in Need day wearing their pyjamas to school and joining in the activities.

We raised an amazing **£39.50** for Children in Need. Well done to everyone at PACE!
