

Anti-Bullying Week 2020

Week commencing 16th November 2020 is recognised as anti-bullying week across the UK therefore at PACE we thought it would be a great idea to get involved. Throughout the week each class completed PSHE sessions relating to anti bullying. These involved the children discussing what bullying is, how we can help someone who is being bullied and who we can talk to if we are being bullied.

On Friday 20th November 2020 we all wore odd socks to school to celebrate anti bullying week in a positive way. All staff and most children wore their odd socks to school. It was great to see all those odd socks around PACE!

The children were very enthusiastic and gave some great ideas during their class discussions.

Below are some examples of the children's work they completed:

What is happening?

- What can you see in this picture?
- What do you think is happening here?
- How do you think the children in the picture are feeling?
