DEAR NHS

My name is George the reason why I'm writing  
this letter is that I'm thankful for your hard  
work.

I'm thankful to all the doctors and nurses who risk  
their lives everyday for us. I don't like bio.  
So I could never do your job.  
Thank you for keeping me and my wife  
and helping battle covid 19.

Our community couldn't survive without these  
workers.

Yours faithfully,

George

My name is Layton and I go to St Helens pace.  
I'm writing this letter to thank you for saving  
people's lives from the corona virus.
