

**We work with young people to redefine 'learning' to help students aspire to achieve greater things in life, by developing their self-confidence and their commitment to learning.**

**THE COMPANY HAS TWO GUIDING PRINCIPLES:**

An absolute respect for the dignity of young people, whatever their circumstances.

A passionate belief that education and personal development can change and improve lives permanently.

**Work Experience Placements**

We offer a wide variety of employer placements across different types of work. Whilst working towards a package of qualifications, young people will be offered a placement in line with their career aspirations. Taking part in a placement provides an opportunity for learners to gain valuable work experience in preparation for an Apprenticeships or College life.

Placements provide a link to the world of work and places learners in the right place as opportunities and vacancies arise naturally. Lots of young people have been offered apprenticeships by their employer and professional references from employers often assist College applications.
