

## Teardrops Christmas Hampers

Throughout the year we do a variety of donation days and fundraising events for the charity 'Teardrops'. This is a charity that help and support the Homeless and vulnerable people in St Helens. They provide services to the Homeless community by delivering food and hot drinks to rough sleepers, running a night café, delivering meals and toiletries to hostels and offering welfare assistance.

This year we have been delighted to accept Christmas hampers and gifts for five of our children from this charity.

On behalf of the children and staff here at PACE we thank you very much for your kindness. We have some extremely happy children this Christmas.
