## **PUPIL PREMIUM STRATEGY PLAN**

### **STATEMENT OF INTENT:**

At Launchpad Key Stage 3, many of our students receive free school meals and Pupil Premium funding. Our intent is to ensure that students make better than expected progress, improve attendance in comparison to mainstream school, and to offer the opportunity to participate in activities outside of school.

Pupil Premium funding is used to ensure that our pupils are given the same opportunities for academic and social improvement as their mainstream counterparts.

We work hard with our students to build good habits and promote attendance, learning, and good behaviour.

Many of our students have talents and interests in sporting and artistic activities. Through Pupil Premium funding, we aim to ensure that cost is not a barrier to this.

### **CHALLENGES:**

As we move forward with our strategy, we have identified the following as our key challenges amongst our students.
