

## The Queen's Platinum Jubilee 2022

As we all know the Queen's Platinum Jubilee is being celebrated nationally on Friday 3<sup>rd</sup> June 2022. Due to this being during our half term holiday, here at PACE we chose to celebrate it on Thursday 26<sup>th</sup> May 2022.

Throughout the week, the children across PACE have taken part in a variety of activities relating to the Queen's Platinum Jubilee. These activities have included designing flags, making bunting, creating a royal family tree, baking cakes and many more.

On Thursday 26<sup>th</sup> May 2022, PACE had an afternoon tea party with the children, staff, family and friends. They had lots of fun playing bingo and other games whilst enjoying a sandwich, a scone or cake with a cup of tea.

It was great afternoon and a delight to celebrate such an important event with everyone who attended.
