

New Brighton Beach

Today, 12th July 2022, Cherry Class went on a educational visit to New Brighton Beach as part of their creative curriculum topic 'At the Seaside'. The children were given the opportunity to explore a seaside town to compare this to their local town. All children recognised the different features of a seaside town, including the light house, pier and promenade.

Then we had some time to enjoy the beach. We had a paddle in the sea, made sandcastles, played beach games and explored the rock pools.

We ended the day with a delicious ice cream before returning to PACE.

An excellent day was had by all.
