

Roald Dahl Day 2022

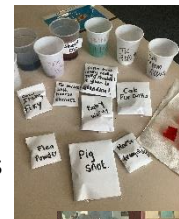

Across the country, primary schools celebrated Roald Dahl Day on Tuesday 13th September 2022. We know how important it is to explore reading and literature therefore we like to provide as many opportunities as possible for our pupils to discover their love for reading.

Throughout PACE the children explored a variety of stories written by Roald Dahl and completed a variety of activities for the whole day. Some children made cards for Roald Dahl to tell him which of his books is their favourite and others made their own version of 'George's Marvellous Medicine'. Our pupils looked at the history of Roald Dahl and discussed how he became such an inspirational children's author.

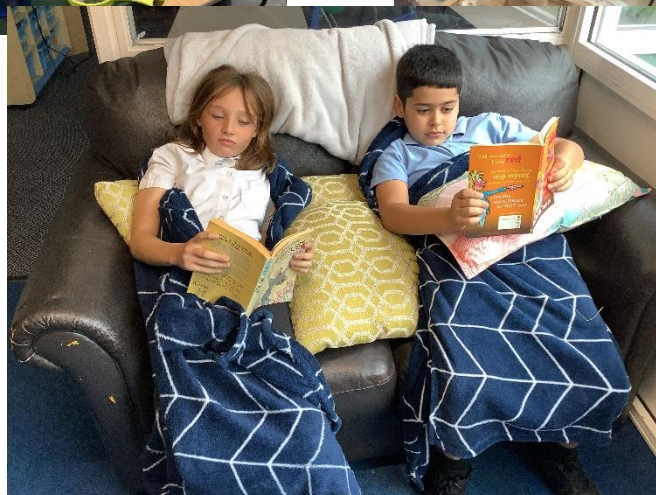

Tuesday was such a success and all the children thoroughly enjoyed learning about their favourite stories and Roald Dahl himself.

Look at some of the amazing work we created for Roald Dahl.

Creating our own marvellous medicine just like George.

Creating our own dreams just like the BFG.

Enjoying reading lots of Roald Dahl stories in our class reading
