

The Life of Queen Elizabeth II

Queen Elizabeth II sadly passed away on 8th September 2022 and this sad news has touched the country. Queen Elizabeth II was such an incredibly inspiring woman who ruled the United Kingdom and the other Commonwealth realms.

Queen Elizabeth II is the longest reigning British Monarch who took to the throne at 25 years old and passed away at the age of 96. Queen Elizabeth II reigned for 70 years.

To show our respect for Queen Elizabeth II we had lots of activities going on throughout the school where the children were able to learn all about the queen's life, celebrate her reign and learn all about our new king.

Take a look at our lovely display we created for Queen Elizabeth II to celebrate her life...
