

# Chinese New Year

**(Week commencing 23rd February 2023)**

During this week all the children at PACE have been taking part in different activities to learn about Chinese New Year

The children in Cherry class had a go at saying "Happy New Year" in Chinese "Gōng Xǐ Fā Cǎi" and used their knowledge of shapes to create Chinese dragons.

Rowan class looked at the Chinese Zodiac story and created some wonderful artwork using Chinese calligraphy to write the names of the different animals that represent the years. These are displayed beautifully on our Chinese New year display in the hall.

On Tuesday 24<sup>th</sup> February 2023 we had a whole school celebration of Chinese New Year encouraging the children to taste a variety of Chinese foods. This activity allowed the children to experience the traditions and widen their understanding of different cultures. By allowing this we have enabled our pupils to improve their social and cultural understanding.
