

School Summer Fair

(Friday 14th July 2023)

Parent and carers joined us for our annual summer fair which proved to be our biggest school fundraiser to date! Amazing!

The children enjoyed all the stalls and activities including having their faces painted, spin the wheel, splat the rat and best of all soak a teacher! Our school tombolas seemed very popular but I think everyone was looking forward to the raffle at the end!

Parents, carers and children all took their turn to walk around the hall to try out some of PACE's fantastic summer fair festivities—we had tigers and butterflies walking round thanks to Mrs Schonewille's fantastic face painting.

This year Miss McMahon made it her main mission to break the £1000 mark for fundraising so staff made it theirs too by getting as many wonderful prizes as they could for the raffle! Children went above and beyond to sell the raffle tickets to family, carers, friends (and shops in some cases!), and the child with the most sold won 2 tickets to Willowbees play centre. Well done Clayton! All your commitment and contributions have raised a MASSIVE £1190.60! A HUGE thanks to everyone!
