

Pumpkin Picking

Wednesday 18th October 2023

The children at PACE had a fantastic day Pumpkin picking at The Hayloft farm.

Pumpkin Picking

As part of our enrichment curriculum, some of our children were given the opportunity to go on a trip out to The Hayloft at Sandy Lane Farm to pick their own pumpkin for Halloween. The children worked as a team to help each other select the perfect pumpkin for them.

The staff at PACE agreed this would be a great activity to allow the children to develop socially as well as providing the opportunity to experience pumpkin picking.

The children and staff really enjoyed the morning at the pumpkin patch—they had a spooktacular time!
