

# PACE Christmas 2023

What a run up to Christmas we've had! We're all feeling more Christmassy now after our Christmas dinner and amazing performance!

Aswell as the Wizard of Oz on ice show and the fantastic Aladdin show at the Theatre Royal, on Wednesday 13th December, all the staff and children at PACE had a lovely Christmas lunch. We all pulled crackers and told funny festive jokes and of course we had a great game of charades!

Then came our fantastic Christmas performance! Wow, A-MAZING! On Tuesday 19th December, the hall was packed out with parents, carers, family and friends to watch our Christmas show. All the staff and children sang Christmas favourites and some new yule-tide tunes too. Our wonderful audience joined in singing and swaying whilst the records were playing!

After the performance, everyone was invited to our Christmas markets. On the run up to Christmas, the children had worked really hard to make their very own reindeer dust, hot chocolate reindeers, Christmas tree decorations and scented bath bombs. These were sold to raise money for the school fund, along with the proceeds from the Christmas hamper raffle, which will go towards future fantastic educational trips for our children. We raised a total of **£105.70!** Thank you to everyone for your continued support—we really do appreciate it!

Last, but certainly not least, some of children got to earn a place on our Christmas incentive breakfast trip to the Toby carvery on Wednesday 20th December! A tasty treat was enjoyed by all—yum yum!

All that's left to say is "IT'S CHRIIIIIISTMAAAAAAAS!
