

## Pizza Making

Wednesday 17th January 2024

The children at PACE had another fantastic afternoon making pizzas at Verona Kitchen and Bar in Newton-le-Willows.

Adam, the pizza chef, provided the freshly made dough for all the children and staff to make their very own delicious pizzas! After stretching, pressing and swirling the dough, a variety of tempting tasty toppings were used to make the culinary delights. In small groups, the children and staff took turns in the kitchen to create their pizza. Everybody looked on as they were put into the wood-fired oven.

All the children decorated their own pizza boxes and these were judged by Adam. Everyone did a fantastic job—Well done to our winner, Fred! Everyone had a great time and we are very grateful to Verona Bar and Kitchen for providing PACE with this fantastic opportunity.
