04 September 2024

Dear Parents and Carers,

I am delighted to be writing to you for the first time as the new Headteacher of the Alternative Provision Service. I'm excited to get to know all of our students, families, and staff as we work together to support your children.

For the past fourteen years, I've worked in various schools across the Northwest of England. I am passionate about making sure every child, no matter their background, has the same opportunities to succeed. My goal is to make sure that every child at PACE and Launchpad has the experiences and support they need to do their best both in school and in life.

We understand that many children who come to us have found it difficult to fit into a mainstream school. Our aim is to help them rebuild their confidence and feel comfortable in a school environment again. We do this by providing personalised support and creating a safe, caring place where every student feels valued and understood.

One of the key factors in helping your child succeed is good attendance. When your child attends school regularly, they are more likely to feel connected to the rest of the school community and make steady progress. We encourage you to support your child in attending school every day, as this plays a crucial role in their development and future success.

I am committed to making sure that your child receives the best education and support during their time with us. Together, we can help them achieve their full potential and prepare for a bright future.

Thank you for your continued support. I look forward to meeting you all and working together to make this a positive and successful school year for your child.

Yours sincerely,
